PROFILE

Graphic designer with 5+ years of experience creating brand identities, campaign visuals, editorial infographics, and social content for government, publishing, and commercial clients, with 32+ projects delivered. Now building responsive websites and browser-based web apps in HTML, CSS, and JavaScript, so designs can go from layout to live page. Also edits short-form video for brands. Works independently with international clients, async-first, responding within 24 hours.

CORE SKILLS

- **Graphic design:** Brand identity & logo, campaign and poster design, key visuals, marketing collateral, editorial layout & infographics, book covers, social media templates, art direction
- **Front-end (junior):** HTML5, CSS3, responsive layout, vanilla JavaScript, SVG, multilingual pages, Git & GitHub Pages
- **Video & motion:** Short-form editing (Reels, TikTok, Shorts), product and promotional video, documentary, colour grading, motion titles
- **Tools:** Adobe Photoshop, Lightroom, Premiere Pro, Canva, CapCut, LumaFusion, IbisPaint, VS Code
- **Languages:** Indonesian (native); English (second language; conversational and working proficiency)

PROFESSIONAL EXPERIENCE

Graphic Designer & Video Creator

Aug 2021 – Aug 2026

Pangkalan TNI AL Sangatta (Indonesian Navy Base) | Sangatta, Indonesia

- Produced 50+ graphic and video assets for official communications and events of the naval base command.
- Designed public-information poster campaigns on online loan scams, social media fraud prevention, and responsible conduct, built to be understood at a glance on mobile.
- Owned the full creative pipeline, from concept and shooting to design, editing, and final delivery, working independently to consistent deadlines.

Freelance Graphic Designer, Video Editor & Web Designer

2019 – Present

KHINCC Studio (Self-employed) | Remote

- Designed logos, posters, and marketing materials for small businesses, including a poster series for Fluent English (used as the website hero) and an A3 infographic and A5 flyer for Australian coffee brand Down Under Brew.
- Delivered Meridian Residences, a property website template with multilingual support, booking, and live chat, designed and built as responsive pages.
- Edited 14+ short-form product videos for Fantech, Secondwave, KZ, and Photoolex with conversion-focused hooks, plus documentaries and event films for PT KPC and SMK Negeri 2 Sangatta.

Book Cover Designer

Oct 2020 – Jan 2021

Prabu21 Book Publisher | Malang, Indonesia

- Designed cover artwork for published titles, working directly with authors and editors on concepts and revisions.

FRONT-END PROJECTS

- **CodeQuest** – github.com/khincc00/Code_Quest: story-driven browser game that teaches HTML, CSS, and JavaScript across 10 chapters. Built in vanilla JS, bilingual (Indonesian/English), deployed on GitHub Pages, played by an active community of learners.
- **khincreator.com**: personal portfolio site with campaign galleries, a video showcase, and a contact form; responsive on mobile and desktop.
- **NALAR**: web-based programming-logic game with five progressive levels, from visual blocks to algorithm challenges.

OTHER

- Speaker, "Designing for the Future", PMII Student Association, Unitri Malang (2020).

Education: SMK Kehutanan Negeri Makassar (2015 – 2019) | MTs Negeri Lappariaja, Bone (2012 – 2015) | SD Inpres 12/79 Mattaropuli, Bone (2006 – 2012)
